

PAUL LLOYD

Chief Executive

+ m 0407 101 014 + e paul@thinkoneteam.com

Paul has extensive organisational development experience at executive and management level in the fields of strategic planning, leadership development and team alignment. Paul has an expertise in consulting with organisations around their strategic development and making cultural changes to ensure that opportunities are maximised through people.

With over 15 years senior commercial/human capital experience in the UK, latterly as the Commercial Director of a FTSE 250 company, Paul has a wealth of strategic planning and change management skills developed through several major mergers and acquisitions. Since immigrating to Australia in 2006 Paul has consulted nationally in the public sector (local, state and federal), corporate and not-for-profit sector.
